

ORGANIZATIONAL PROFILE

Nature Care Horn of Africa

Communities living in harmony with nature

Mogadishu, Somalia · www.naturecarehornafrica.org

WHO WE ARE

About NACHA

Nature Care Horn of Africa (NACHA) is an environmental and development organization based in Mogadishu, Somalia.

We work with communities on environmental conservation, climate resilience, natural resource management and sustainable livelihoods, so that people and nature coexist sustainably.

AT A GLANCE

Head office: Mogadishu, Somalia

Focus region: Somalia and the Horn of Africa

Tagline: Communities living in harmony with nature

Web: www.naturecarehornafrica.org

OUR DIRECTION

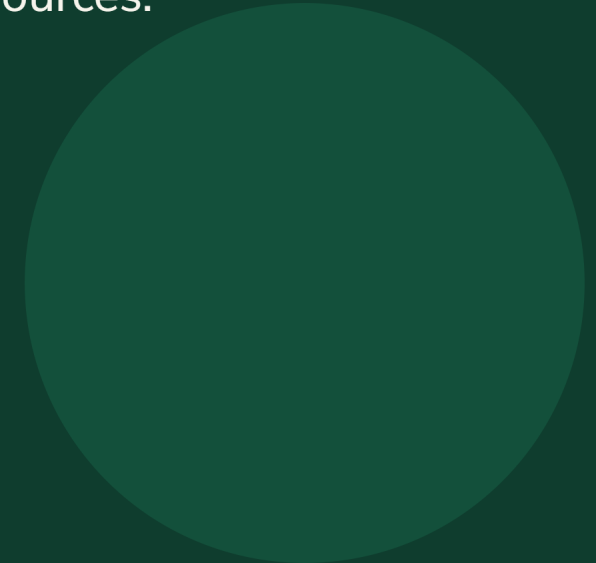

Mission and vision

Mission

To enhance sustainable livelihoods through environmental conservation, climate resilience, and natural resource management.

Vision

A resilient Somalia and Horn of Africa where communities live in harmony with nature through the sustainable use and protection of environmental resources.

WHAT WE AIM FOR

Strategic objectives

01

Conserve and restore

Promote environmental conservation and ecosystem restoration.

02

Manage with communities

Strengthen community-based natural resource management systems.

03

Adapt and build resilience

Support climate adaptation and resilience strategies.

04

Improve livelihoods

Improve livelihoods through sustainable and eco-friendly practices.

WHAT WE DO

Five program areas

Environmental Conservation

Protecting and restoring ecosystems.

Natural Resource Management

Community-led use of land, water and rangelands.

Climate Resilience

Adaptation strategies for vulnerable communities.

Livelihood Development

Sustainable, eco-friendly ways to earn a living.

Capacity Building

Training and skills for communities and institutions.

WHO WE SERVE

Target beneficiaries

Rural and pastoralist communities

Smallholder farmers

Women and youth groups

Environmentally vulnerable
populations

IN EVERYTHING WE DO

Cross-cutting themes

**Gender equality and
women's empowerment**

**Youth engagement and
leadership**

Disability inclusion

**Peacebuilding and
social cohesion**

Disaster risk reduction

**Community protection and
safeguarding**
